

November 2020

Dear Excel Center students and families,

Save the date! Virtual graduation ceremonies will be shared live on our Excel Center YouTube channel on **February 20, 2021**.

Due to ongoing health concerns across the globe and in our central and southern Indiana communities, in-person February 2021 graduation ceremonies will be held virtually in order to honor and celebrate you safely. The Excel Center takes your health, and the health of all staff members, guests, and families, very seriously. Although we may not be able to celebrate with you in-person, we are proud of you and wish to congratulate you on the milestones that you have achieved.

More information will be coming soon, so please make sure we have your correct contact information by verifying it with your life coach or school director.

Now through February 20, Excel Center students, graduates, families, friends, staff, alumni, and other community members are encouraged to post congratulatory photos and short videos on their personal Twitter, Facebook, and Instagram pages using the hashtag #ExcelCenterGrad2021 as a way to support and celebrate our graduates. To participate, simply post photos and/or videos along with a congratulatory message to your personal social media pages using the hashtag.

We look forward to celebrating your accomplishments live on February 20, 2021. If you have additional questions, please contact your school director or life coach.

Thank you,

Betsy Delgado
Vice President of Mission & Education
Goodwill of Central & Southern Indiana
